Ok, so can Perry do other things for our company and you can manage your clients. Because right now it seems as though Perry meets all of them. I am just trying to maximize efficiency.

Joe...
I didn't mean to make you upset. Just asked what I thought was a fair question. I think my email clearly said I don't question at all that you guys are paying me.

As for your impression that Perry does all the work, he would never say that in front of me and you. Never.

I'm on my 3rd meeting of the day now talking about your company. The prospect, as I type this, is watching the video I produced about mca....and when its over i will answer a bunch of questions. Perry's close rate is so high because I never let the bad prospects get to perry.

Anyway....all good. I appreciate all that you do for us

Dean

Did you ever consider this. The reason you don't know about your renewals is because you are not involved in the process. Mr.Perry does all the work for you. So please don't look a gift horse in the mouth.
