Ferndale Lane, Haverford, PA 19041 (Block 108, Lot Number 11) (the "Property"). I have personal knowledge of the facts detailed in this Declaration and make this Declaration in support of the Proposed Sale of the Property.

2. Specifically, and as detailed further herein, I have completed my marketing efforts for the Property in accordance with this Court's prior Order established therein, and now respectfully request that the Court enter an Order authorizing and approving my proposed sale of the Property.

3. As authorized by the Amended Order Appointing Receiver [ECF No. 141], I engaged Compass RE ("Broker") as the real property broker for the purposes of marketing the Property in anticipation of a sale of the Property out of receivership. In conformity with my instructions, the Broker has marketed the Property in a manner consistent with ordinary custom and practice for sales of residential property, including via a Multiple Listing Service listing and a public showing. The listing price of the Property was \$3.150 million.

4. Before listing the Property, I obtained a Pennsylvania Certified Residential Appraisal of the Property, as well as a Comparative Market Analysis and two prior opinions of value from licensed real estate agents familiar with the Haverford Property.

5. As a result of my marketing efforts, I received three (3) offers above the listing price, including an offer from S.Y.,² a third party unaffiliated with the Receivership Entities ("Buyer"), to purchase the Property out of receivership, for a purchase price of \$3.338 million. The Buyer's offer substantially exceeds the appraisal value and substantially exceeded the average of comparable sales in the surrounding area comparative market analysis of the Property. It is an "all cash" offer with no contingencies. In my reasonable business judgment, I believe Buyer's

offer to purchase the Property for \$3.338 million is appropriate, and consistent with the Property's current market value. As a result, on or about June 14, 2023, I entered into a contingent Standard Agreement for the Sale of Real Estate (a "Contract") for the Property with Buyer, a true and correct copy of which is attached hereto as Exhibit A to this Declaration, and which has been redacted for security purposes.

6. Pursuant to the Contract, performance of which is contingent upon an Order from this Court approving and authorizing the proposed sale of the Property to Buyer, the sale of the Property will be made on an "as-is / where-is basis," with no representations or warranties on my part, individually or on behalf of the Receivership Entities, except as expressly set forth in the Contract. In the event that the Court authorizes and approves the proposed sale of the Property as provided for in the Contract, and the sale is consummated, the Broker will receive a commission of five percent (5%) of the sales price, consistent with ordinary custom and practice.

7. Accordingly, I respectfully request that this Court enter an Order authorizing and approving the proposed sale, as provided for in the Contract, within seven (7) days after the submission of this Declaration.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on June 19, 2023.

8. BUYER FINANCING (8-22)

- (A) Buyer may elect to make this Agreement contingent upon obtaining mortgage financing. Regardless of any contingency elected in this Agreement, if Buyer chooses to obtain mortgage financing, the following apply:
 - 1. Buyer will be in default of this Agreement if Buyer furnishes false information to anyone concerning Buyer's financial and/or employment status, fails to cooperate in good faith with processing the mortgage loan application (including payment for and ordering of appraisal without delay), fails to lock in interest rate(s) as stated below, or otherwise causes the lender to reject, or refuse to approve or issue, a mortgage loan.
 - 2. Within ______ days (7 if not specified) from the Execution Date of this Agreement, Buyer will make a completed mortgage application (including payment for and ordering of credit reports without delay) for the mortgage terms and to the mortgage lender(s) identified in Paragraph 8(F), if any, otherwise to a responsible mortgage lender(s) of Buyer's choice. Broker for Seller, if any, is permitted to contact the mortgage lender(s) at any time to determine the status of the mortgage loan application.

- (B) The Loan-To-Value ratio (LTV) is used by lenders as one tool to help assess their potential risk of a mortgage loan. A particular LTV may be necessary to qualify for certain loans, or buyers might be required to pay additional fees if the LTV exceeds a specific level. The appraised value of the Property may be used by lenders to determine the maximum amount of a mortgage loan. The appraised value is determined by an independent appraiser, subject to the mortgage lender's underwriter review, and may be higher or lower than the Purchase Price and/or market price of the Property.

13	FHA/VA, IF APPLICABLE

17	Veterans Administration, or a Direct Endorsement Lender setting forth the appraised value of the Property of not less than
18	\$ (the Purchase Price as stated in this Agreement). Buyer will have the privilege and option of
19	proceeding with consummation of the contract without regard to the amount of the appraised valuation. The appraised valuation
20	is arrived at to determine the maximum mortgage the Department of Housing and Urban Development will insure. HUD does
21	not warrant the value nor the condition of the Property. Buyer should satisfy himself/herself that the price and condition of the
22	Property are acceptable.
23	Warning: Section 1010 of Title 18, U.S.C., Department of Housing and Urban Development and Federal Housing Administration

262		a. Pennsylvania Right-To-Farm Act: The property you are buying may be located in an area where agricultural operations
263		take place. Pennsylvania protects agricultural resources for the production of food and agricultural products. The law limits
264		circumstances where normal agricultural operations may be subject to nuisance lawsuits or restrictive ordinances.
265		b. Clean and Green Program: Properties enrolled in the Clean and Green Program receive preferential property tax assess-
266		ment. Buyer and Seller have been advised of the need to contact the County Tax Assessment Office before the execution
267		of this Agreement to determine the property tax implications that will or may result from the sale of the Property, or that
268		may result in the future as a result of any change in use of the Property or the land from which it is being separated.
269		c. Open Space Act: This Act enables counties to enter into covenants with owners of land designated as farm, forest, water
270		supply, or open space land on an adopted municipal, county or regional plan for the purpose of preserving the land as open
271		space. A covenant between the owner and county is binding upon any Buyer of the Property during the period of time that
272		the covenant is in effect (5 or 10 years). Covenants automatically renew at the end of the covenant period unless specific
273		termination notice procedures are followed. Buyer has been advised of the need to determine the restrictions that will apply
274 275		from the sale of the Property to Buyer and the property tax implications that will or may result from a change in use of the
275		Property, or any portion of it. Buyer is further advised to determine the term of any covenant now in effect. d. Conservation Reserve (Enhancement) Program: Properties enrolled in the Conservation Reserve Program or CREP are
277		environmentally-sensitive areas, the owners of which receive compensation in exchange for an agreement to maintain the
278		land in its natural state. Contracts last from 10 to 15 years and carry penalties to Seller if terminated early by Buyer. Buyer
279		has been advised of the need to determine the restrictions on development of the Property and the term of any contract now
280		in effect. Seller is advised to determine the financial implications that will or may result from the sale of the Property.
281	(E)	Real Estate Seller Disclosure Law
282		Generally, the Real Estate Seller Disclosure Law requires that before an agreement of sale is signed, the seller in a residential real
283 284		estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law. A residential
285		real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other transfer of an interest in real property where NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING
286		UNITS are involved. Disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures
287		regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale
288		of condominium and cooperative interests.
289	(F)	Public and/or Private Assessments
290		1. Seller represents that, as of the date Seller signed this Agreement, no public improvement, condominium or homeowner asso-
291		ciation assessments have been made against the Property which remain unpaid, and that no notice by any government or public
292 293		authority (excluding assessed value) has been served upon Seller or anyone on Seller's behalf, including notices relating to violations of zoning, housing, building, safety or fire ordinances that remain uncorrected, and that Seller knows of no condition
294		that would constitute a violation of any such ordinances that remain uncorrected, unless otherwise specified here:
295		and would constitute a violation of any short or analysis and remain shoor color, unless only wise specified here.
296		2. Seller knows of no other potential notices (including violations) and/or assessments except as follows:
297		
298	(G)	Highway Occupancy Permit
299		Access to a public road may require issuance of a highway occupancy permit from the Department of Transportation.
300	(H)	Internet of Things (IoT) Devices
301 302		1. The presence of smart and green home devices that are capable of connecting to the Internet, directly or indirectly, and the data
302		stored on those various devices make up a digital ecosystem in the Property sometimes referred to as the "Internet of Things (IoT)." Buyer and Seller acknowledge that IoT devices may transmit data to third parties outside of the control of their owner.
304		 On or before settlement, Seller will make a reasonable effort to clear all data stored on all IoT devices located on the Property
305		and included in the sale. Seller further acknowledges that all personal devices owned by Seller (including but not limited to
306		cellular telephones, personal computers and tablets) having connectivity to any IoT device(s) located on the Property will be
307		disconnected and cleared of relevant data prior to settlement. Further, no attempts will be made after settlement by Seller or
308		anyone on Seller's behalf to access any IoT devices remaining on the Property.
309 310		3. Following settlement, Buyer will make a reasonable effort to clear all stored data from any IoT device(s) remaining on the Property and to restrict assess to said device by Seller Seller secret as any third party to relate Seller Seller
311		Property and to restrict access to said devices by Seller, Seller's agents or any third party to whom Seller may have previously provided access. This includes, but is not limited to, restoring IoT devices to original settings, changing passwords or codes,
312		updating network settings and submitting change of ownership and contact information to device manufacturers and service
313		providers.
314		4. This paragraph will survive settlement.

- (B) Buyer waives or elects at Buyer's expense to have the following inspections, certifications, and investigations (referred to as "Inspection" or "Inspections") performed by professional contractors, home inspectors, engineers, architects and other properly licensed or otherwise qualified professionals. All inspections shall be non-invasive, unless otherwise agreed in writing. If the same inspector is inspecting more than one system, the inspector must comply with the Home Inspection Law. (See Paragraph 12(D) for Notices Regarding Property and Environmental Inspections)
- (C) For elected Inspection(s), Buyer will, within the Contingency Period stated in Paragraph 13(A), complete Inspections, obtain any Inspection Reports or results (referred to as "Report" or "Reports"), and accept the Property, terminate this Agreement, or submit a written corrective proposal to Seller, according to the terms of Paragraph 13(B).

Home/Property Inspections and Environmental Hazards (mold, etc.)

- 343 Buyer may conduct an inspection of the Property's structural components; roof; exterior windows and exterior Elected 344 doors; exterior building material, fascia, gutters and downspouts; swimming pools, hot tubs and spas; appliances; 345 electrical systems; interior and exterior plumbing; public sewer systems; heating and cooling systems; water penetra-346 tion; electromagnetic fields; wetlands and flood plain delineation; structure square footage; mold and other environ 347 mental hazards (e.g., fungi, indoor air quality, asbestos, underground storage tanks, etc.); and any other items Buyer 348 may select. If Buyer elects to have a home inspection of the Property, as defined in the Home Inspection Law, the 349 home inspection must be performed by a full member in good standing of a national home inspection association, 350 or a person supervised by a full member of a national home inspection association, in accordance with the ethical 351 standards and code of conduct or practice of that association, or by a properly licensed or registered engineer or 352 architect. (See Notices Regarding Property & Environmental Inspections) Wood Infestation
- 353 354 Elected Buyer may obtain a written "Wood-Destroying Insect Infestation Inspection Report" from an inspector certified as a 355 wood-destroying pests pesticide applicator and will deliver it and all supporting documents and drawings provided 356 by the inspector to Seller. The Report is to be made satisfactory to and in compliance with applicable laws, mortgage lender requirements, and/or Federal Insuring and Guaranteeing Agency requirements. The Inspection is to be 357 358 limited to all readily-visible and accessible areas of all structures on the Property, except fences. If the Inspection 359 reveals active infestation(s), Buyer, at Buyer's expense, may obtain a Proposal from a wood-destroying pests pesti-360 cide applicator to treat the Property. If the Inspection reveals damage from active or previous infestation(s), Buyer 361 may obtain a written Report from a professional contractor, home inspector or structural engineer that is limited to structural damage to the Property caused by wood-destroying organisms and a Proposal to repair the Property. 362 363 Deeds, Restrictions and Zoning
- 364 Elected Buyer may investigate easements, deed and use restrictions (including any historic preservation restrictions or ordi-365 nances) that apply to the Property and review local zoning ordinances. Buyer may verify that the present use of the 366 Property (such as in-law quarters, apartments, home office, day care, commercial or recreational vehicle parking, 367 short-term rentals) is permitted and may elect to make the Agreement contingent upon an anticipated use. Present 368 use:

condition, at Seller's expense, prior to settlement. 373 374 Radon 375 Buyer may obtain a radon test of the Property from a certified inspector. The U.S. Environmental Protection Elected Agency (EPA) advises corrective action if the average annual exposure to radon is equal to or higher than 0.02 376 working levels or 4 picoCuries/liter (4pCi/L). Radon is a natural, radioactive gas that is produced in the ground 377 by the normal decay of uranium and radium. Studies indicate that extended exposure to high levels of radon gas can 378 increase the risk of lung cancer. Radon can find its way into any air-space and can permeate a structure. If a 379 house has a radon problem, it usually can be cured by increased ventilation and/or by preventing radon entry. Any 380 person who tests, mitigates or safeguards a building for radon in Pennsylvania must be certified by the Department 381 382 of Environmental Protection. Information about radon and about certified testing or mitigation firms is available 383 through Department of Environmental Protection, Bureau of Radiation Protection, 13th Floor, Rachel Carson State 384 Office Building, P.O. 23. FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT OF 1980 (FIRPTA) (1-17) 668

The disposition of a U.S. real property interest by a foreign person (the transferor) is subject to the Foreign Investment in Real Property 669 Tax Act of 1980 (FIRPTA) income tax withholding. FIRPTA authorized the United States to tax foreign persons on dispositions of U.S. 670 671 real property interests. This includes but is not limited to a sale or exchange, liquidation, redemption, gift, transfers, etc. Persons pur-672 chasing U.S. real property interests (transferee) from foreign persons, certain purchasers' agents, and settlement officers are required 673 to withhold up to 15 percent of the amount realized (special rules for foreign corporations). Withholding is intended to ensure U.S. 674 taxation of gains realized on disposition of such interests. The transferee/Buyer is the withholding agent. If you are the transferee/ 675 Buyer you must find out if the transferor is a foreign person as defined by the Act. If the transferor is a foreign person and you fail to 676 withhold, you may be held liable for the tax.

This Agreement contains the whole agreement between Seller and Buyer, and there are no other terms, obligations, covenants, representations, statements or conditions, oral or otherwise, of any kind whatsoever concerning this sale. This Agreement will not be altered, amended, changed or modified except in writing executed by the parties.
- 688 (B) Unless otherwise stated in this Agreement, Buyer has inspected the Property (including fixtures and any personal property spe-689 cifically listed herein) before signing this Agreement or has waived the right to do so, and agrees to purchase the Property 690 IN ITS PRESENT CONDITION, subject to inspection contingencies elected in this Agreement. Buyer acknowledges that 691 Brokers, their licensees, employees, officers or partners have not made an independent examination or determination of the 692 structural soundness of the Property, the age or condition of the components, environmental conditions, the permitted uses, nor of conditions existing in the locale where the Property is situated; nor have they made a mechanical inspection of any of the systems 693 694 contained therein. 695

 - 1. If this Agreement is terminated prior to settlement and there is no dispute over entitlement to the deposit monies. A written agreement signed by both parties is evidence that there is no dispute regarding deposit monies.

INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW

The Real Estate Seller Disclosure Law (68 P.S. §7301, et seq.) requires that before an agreement of sale is signed, the seller in a residential 4 5 real estate transfer must disclose all known material defects about the property being sold that are not readily observable. A material defect is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or 6 7 that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end

of its normal useful life is not by itself a material defect. 8

This property disclosure statement ("Statement") includes disclosures beyond the basic requirements of the Law and is designed to assist 0 Scller in complying with disclosure requirements and to assist Buyer in evaluating the property being considered. Sellers who wish to see 10 11

or use the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. Neither this Statement 12

nor the basic disclosure form limits Seller's obligation to disclose a material defect.

This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by Seller and is not a substitute for any 13 inspections or warranties that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or rep-14 resentation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address concerns 15 about the condition of the Property that may not be included in this Statement. 16.

17 The Law provides exceptions (listed below) where a property disclosure statement does not have to be completed. All other sellers are obligated to complete a property disclosure statement, even if they do not occupy or have never occupied the Property. 18

- 1. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust. 19
- 2. Transfers as a result of a court order. 20
- 3. Transfers to a mortgage lender that results from a buyer's default and subsequent foreclosure sales that result from default. 21
- 22 4. Transfers from a co-owner to one or more other co-owners.
- 23 5. Transfers made to a spouse or direct descendant.
- 6. Transfers between spouses as a result of divorce, legal separation or property settlement. 24
- 7. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of 25 26 liquidation.
- 8. Transfers of a property to be demolished or converted to non-residential use. 27
- 28 9. Transfers of unimproved real property.
- 10. Transfers of new construction that has never been occupied and: 29 30
 - a. The buyer has received a one-year warranty covering the construction;
 - b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and
 - c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

COMMON LAW DUTY TO DISCLOSE

Although the provisions of the Real Estate Seller Disclosure Law exclude some transfers from the requirement of completing a disclo-35 sure statement, the Law does not excuse the seller's common law duty to disclose any known material defect(s) of the Property in order 36 to avoid fraud, misrepresentation or deceit in the transaction. This duty continues until the date of settlement. 37

[PROPOSED] ORDER AUTHORIZING RECEIVER'S SALE OF REAL PROPERTY LOCATED AT 568 FERNDALE LANE, HAVERFORD, PA 19041

THIS CAUSE comes before the Court upon the Receiver's Motion for Order Authorizing Receiver's Sale of Real Property Located at 568 Ferndale Lane, Haverford, PA 19041 [ECF No. 1602] (the "Motion"), filed on June 19, 2023. The Court having reviewed the Motion and the record in this matter, and being otherwise fully advised, it is hereby

ORDERED AND ADJUDGED that the Motion is **GRANTED** as set forth herein.

In accordance with its Order granting Receiver's Motion for Order Authorizing Receiver's Sale of All Real Property Within the Receivership Estate [ECF No. 1486], this Court has reviewed the Declaration [ECF No. 1602-1] of Ryan K. Stumphauzer, Esq., the Court-Appointed Receiver (the "Receiver"), regarding his proposed sale of the real property located at and commonly known as 568 Ferndale Lane, Haverford, PA 19041 (Block 108, Lot Number 11) (the "Property"), and orders as follows:

A. The terms of the Standard Agreement for the Sale of Real Estate, a copy of which is attached to the Declaration as Exhibit A (collectively, the "Contract"), by and between the Receiver and S.Y.¹ (the "Buyer") in connection with the Receiver's proposed sale of the Property to Buyer are approved;

B. The Court ratifies the Receiver's execution of the Contract and authorizes the Receiver to perform all of his obligations under the Contract;

C. The Receiver is authorized to sell the Property to Buyer or Buyer's designee, as contemplated in the Contract, in exchange for the aggregate sum of \$3.38 million, subject to the applicable terms of this Order;

D. The Receiver is further authorized to pay any commissions provided for in the Contract and in connection with the consummation of his sale of the Property;

E. In accordance with the terms of the Contract, and without limiting those terms, Buyer or Buyer's designee shall purchase the Property on an "as-is / where-is" basis, without any representations or warranties whatsoever by the Receiver and his agents and/or attorneys including, without limitation, any representations or warranties as to the condition of the Property, except as expressly set forth in the Contract. Buyer or its designee is responsible for all due diligence, including but not limited to, inspection of the condition of and title to the Property, and is not relying on any representation or warranty of the Receiver, except as expressly set forth in the Contract;

F. In the performance of his obligations pursuant to this Order, the Receiver's liability in connection with the Contract and the sale of the Property to the Buyer shall be limited to the assets of the Receivership Estate (the "Estate"). Neither the Receiver nor his professionals shall have any personal liability for claims arising out of or relating to the performance of any actions necessary to complete the sale of the Property as provided for herein;

¹ For security purposes, the Buyer's identities have been redacted.

G. Provided Buyer or Buyer's designee consents, in writing, the Receiver is hereby authorized to amend or otherwise modify the Contract, in writing, as necessary to complete the sale of the Property in the event that the Receiver determines, in his reasonable business judgment, that such amendment or modification is reasonable and necessary, will benefit the Estate, avoid the imposition of any liability upon the Estate, or is required pursuant to the terms of the Contract or any other amendment or modification thereto, provided that any such amendment or modification does not change the material terms of the Contract, including the parties to the Contract and the purchase price for the Property;

H. The Receiver is hereby authorized to take all actions and execute all documents necessary to consummate and otherwise effectuate the sale of the Property to Buyer or Buyer's designee, including, but not limited to, the Contract itself, any other documents required to be executed pursuant to the Contract, and any related documentation, escrow instructions, or conveyance documents consistent with selling and conveying title to the Property to Buyer or Buyer's designee. The Receiver shall execute all documents necessary to consummate and otherwise effectuate the sale of the Property as "Ryan K. Stumphauzer, Court-Appointed Receiver" or any reasonable variation thereof which clearly identifies the Receiver as a court-appointed Receiver;

I. The Receiver is hereby authorized to execute and acknowledge a Receiver's Deed, or similar instrument, conveying title to the Property to Buyer or Buyer's designee (the "Receiver's Deed") to effectuate the conveyance, and cause the Receiver's Deed to be recorded on the date on which close of escrow occurs pursuant to the terms of the Contract, or as determined by and between the Receiver and Buyer or Buyer's designee;

- 3 -

J. Any licensed title insurer may rely on this Order as authorizing the Receiver to transfer title to the Property as provided in the Contract and as authorized herein;

K. This Court shall retain jurisdiction over any dispute involving the Receiver in connection with the sale of the Property; and

L. The Receiver shall provide Buyer or Buyer's designee with a certified copy of this Order, as entered by the Court, directly or through escrow, prior to the Close of Escrow, or as provided for in the Contract, and Buyer or Buyer's designee shall acknowledge receipt of a copy of this Order, in writing. A certified copy of this Order may be recorded concurrently with the Receiver's Deed, or at any time before the close of escrow, provided, however, that failure to record this Order shall not affect the enforceability of this Order, the enforceability and viability of the Contract, or the validity of the Receiver's Deed.

DONE AND ORDERED in Miami, Florida, this _____ day of June, 2023.
