In support thereof, the Receiver states:

1. On January 10, 2023, the Receiver filed a Motion for Order: (1) Authorizing Receiver's Sale of All Real Property Within the Receivership Estate; and (2) Compelling Lisa McElhone and Joseph LaForte to Vacate and Surrender Haverford Home or, in The Alternative, Pay Obligations for Single-Family Homes [ECF No. 1484] ("Motion for Order Authorizing Sale").

2. On January 11, 2023, the Court entered an Order Approving the Motion for Order Authorizing Sale [ECF 1486] ("Order Authorizing Sale").

3. In the Order Authorizing Sale, the Court authorized the Receiver to begin the process of marketing for sale all real estate within the Receivership Estate, including the Quayside Property.

- 1 -

4. In accordance with the Order Authorizing Sale, the Receiver has entered into a contingent "As Is" Residential Contract for Sale and Purchase for the sale of the Quayside Property (the "Contract"). The Contract, which is subject to approval by this Court, is scheduled to close within the next four (4) weeks, provided the Court approves the Contract and authorizes the sale of the Quayside Property.

7. The Receiver believes the sale price for the Quayside Property under the Contract, which he has accepted subject to this Court's approval, is in the best interests of the Receivership Estate.

8. The Receiver represents that this Contract to purchase the Quayside Property is a *bona fide* offer from a proposed buyer with whom the Receiver has no relationship and is the product of arms-length negotiation.

9. The Receiver proposes to proceed with the sale of the Quayside Property pursuant to the Contract, provided the Court approves the sale free and clear of liens, encumbrances, and any other related obligations or claims.

10. A proposed Order approving and authorizing the sale of the Quayside Property ("Proposed Order") is attached hereto as **Exhibit 3**.

- 2 -

11. To provide an opportunity for any potential objections to the sale of the Quayside Property pursuant to the Contract, the Receiver requests that the Court enter the Proposed Order no earlier than seven (7) days after the filing of this Motion (*i.e.*, on or after July 17, 2023), so that the Court may consider and resolve any potential objections to the Contract.

**WHEREFORE**, the Receiver respectfully requests that the Court enter the Proposed Order on or after July 17, 2023, approving the Contract and authorizing the Receiver to sell the Quayside Property.

#### Local Rule 7.1 Certification

Pursuant to Local Rule 7.1, the undersigned counsel for the Receiver certifies that he has conferred with counsel for the United States Securities and Exchange Commission ("SEC") and with Lisa McElhone, the record owner of the Quayside Property, regarding the relief requested in this motion. Counsel for the SEC has confirmed that the SEC does not oppose the relief requested herein and agrees to the waiver of the requirements of 28 U.S.C. §2001 and 28 U.S.C. §2004 for the sale of the Quayside Property. Further, as reflected in Exhibit 2, the Receiver and Lisa McElhone have agreed to waive the requirements of 28 U.S.C. §2001 and 28 U.S.C. §2004 for the sale of the Quayside Property.

## DECLARATION OF RYAN K. STUMPHAUZER, ESQ.

I, Ryan K. Stumphauzer, Esq., declare as follows:

Property"). I have personal knowledge of the facts detailed in this Declaration and make this Declaration in support of the proposed sale of the Quayside Property.

2. Specifically, and as detailed further herein, I have completed my marketing efforts for the Quayside Property in accordance with this Court's prior Orders, and now respectfully request that the Court enter an Order authorizing and approving my proposed sale of the Quayside Property.

3. As authorized by the Amended Order Appointing Receiver [ECF No. 141] and the Order (1) Authorizing Receiver's Sale of All Real Property Within the Receivership Estate; and (2) Compelling Lisa McElhone and Joseph LaForte to Vacate and Surrender Haverford Home or, in The Alternative, Pay Obligations for Single-Family Homes [ECF 1486], I engaged a licensed real estate broker with decades of experience in Palm Beach County, Florida ("Broker") as the real property broker for the purposes of marketing the Property in anticipation of a sale of the Quayside Property out of receivership. The Broker has been recognized as the top agent for \$5 million-plus listings in Northern Palm Beach County, and the top agent for sales in Admirals Cove, the exclusive waterfront community where the Quayside Property is located. In fact, the Broker was the listing broker for the sale of the Quayside Property to Lisa McElhone in December 2019.

4. In conformity with my instructions, the Broker marketed the Quayside Property in a manner consistent with ordinary custom and practice for sales of similar residential properties in Jupiter, Florida, including via a Multiple Listing Service listing, vetting potential purchasers, and showing the Quayside Property to numerous qualified purchasers. The listing price of the Quayside Property was \$10,500,000.00, and the aforementioned marketing efforts resulted in

Rebecca Court, Paupack, PA 18451; 107 Quayside Dr., Jupiter FL 33477; and 2413 Roma Drive, Philadelphia, PA 19145.

approximately 25 potential buyers who demonstrated interest in and arranged private buyer showings of the Quayside Property.

5. Before listing the Quayside Property, I obtained a residential appraisal report of the Quayside Property from a disinterested Certified General Real Estate Appraiser, with a Senior Residential Appraiser (SRA) designation from the Appraisal Institute. The appraised value of the Quayside Property is \$9,800,000.00.<sup>2</sup> Attached as **Exhibit A** is a copy of the appraisal.

6. As a result of my marketing efforts, I received 15 offers to purchase the Quayside Property, five (5) of which were below the listing price, one (1) at the listing price, and nine (9) of which were above the listing price. After careful consideration, I accepted an offer from the R.W. Revocable Trust Agreement,<sup>3</sup> a third party unaffiliated with the Receivership Entities ("Buyer"), to purchase the Quayside Property out of receivership, for the price of \$12,100,000.00. The Buyer's offer substantially exceeds the appraised value and substantially exceeds the listing price for the Quayside Property. It is an "all cash" offer with no contingencies. In my reasonable business judgment, I believe Buyer's offer to purchase the Quayside Property for \$12,100,000.00 is appropriate, consistent with the Quayside Property's current market value and, of the offers I received, will result in the maximum recovery to the Receivership Estate. As a result, on or about July 6, 2023, I entered into a contingent As Is Residential Contract for Sale and Purchase (a "Contract") for the Quayside Property with Buyer, a true and correct copy of which is attached hereto as **Exhibit B** to this Declaration, and which has been redacted for security purposes.

7. Pursuant to the Contract, performance of which is contingent upon an Order from this Court approving the Contract and authorizing the proposed sale of the Quayside Property to

<sup>&</sup>lt;sup>2</sup> For security purposes, the Appraiser's identities have been redacted.

<sup>&</sup>lt;sup>3</sup> For security purposes, the Buyer's identity has been redacted.

Buyer, the sale of the Quayside Property will be made on an "as-is / where-is basis," with no representations or warranties on my part, individually or on behalf of the Receivership Entities, except as expressly set forth in the Contract. In the event that the Court authorizes and approves the proposed sale of the Quayside Property as provided for in the Contract, and the sale is consummated, the Broker (and the cooperating broker representing the Buyer) will receive a total commission of 5% of the sales price, consistent with ordinary custom and practice.

8. Accordingly, I respectfully request that this Court enter an Order approving the sale of the Quayside Property, as provided for in the Contract.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

Residential Appraisal Report

File No. 23-1200

#### Scope of Work, Assumptions and Limiting Conditions

Scope of work is defined in the Uniform Standards of Professional Appraisal Practice as " the type and extent of research and analyses in an assignment." In short, scope of work is simply what the appraiser did and did not do during the course of the assignment. It includes, but is not limited to: the extent to which the property is identified and inspected, the type and extent of data researched, the type and extent of analyses applied to arrive at opinions or conclusions.

The scope of this appraisal and ensuing discussion in this report are specific to the needs of the client, other identified intended users and to the intended use of the report. This report was prepared for the sole and exclusive use of the client and other identified intended users for the identified intended users for the identified intended users is prohibited. The appraiser is not responsible for unauthorized use of the report.

The appraiser's certification appearing in this appraisal report is subject to the following conditions and to such other specific conditions as are set forth by the appraiser in the report. All extraordinary assumptions and hypothetical conditions are stated in the report and might have affected the assignment results.

1. The appraiser assumes no responsibility for matters of a legal nature affecting the property appraised or title thereto, nor does the appraiser render any opinion as to the title, which is assumed to be good and marketable. The property is appraised as though under responsible ownership.

2. Any sketch in this report may show approximate dimensions and is included only to assist the reader in visualizing the property. The appraiser has made no survey of the property.

3. The appraiser is not required to give testimony or appear in court because of having made the appraisal with reference to the property in question, unless arrangements have been previously made thereto.

4. Neither all, nor any part of the content of this report, copy or other media thereof (including conclusions as to the property value, the identity of the appraiser, professional designations, or the firm with which the appraiser is connected), shall be used for any purposes by anyone but the client and other intended users as identified in this report, nor shall it be conveyed by anyone to the public through advertising, public relations, news, sales, or other media, without the written consent of the appraiser.

5. The appraiser will not disclose the contents of this appraisal report unless required by applicable law or as specified in the Uniform Standards of Professional Appraisal Practice.

6. Information, estimates, and opinions furnished to the appraiser, and contained in the report, were obtained from sources considered reliable and believed to be true and correct. However, no responsibility for accuracy of such items furnished to the appraiser is assumed by the appraiser.

7. The appraiser assumes that there are no hidden or unapparent conditions of the property, subsoil, or structures, which would render it more or less valuable. The appraiser assumes no responsibility for such conditions, or for engineering or testing, which might be required to discover such factors. This appraisal is not an environmental assessment of the property and should not be considered as such.

8. The appraiser specializes in the valuation of real property and is not a home inspector, building contractor, structural engineer, or similar "expert", unless otherwise noted. The appraiser did not conduct the intensive type of field observations of the kind intended to seek and discover property defects. The viewing of the property and any improvements is for purposes of developing an opinion of the defined value of the property, given the intended use of this assignment. Statements regarding condition are based on surface observations only. The appraiser claims no special expertise regarding issues including, but not limited to: foundation settlement, basement moisture problems, wood destroying (or other) insects, pest infestation, radon gas, lead based paint, mold or environmental issues. Unless otherwise indicated, mechanical systems were not activated or tested.

This appraisal report should not be used to disclose the condition of the property as it relates to the presence/absence of defects. The client is invited and encouraged to employ qualified experts to inspect and address areas of concern. If negative conditions are discovered, the opinion of value may be affected.

Unless otherwise noted, the appraiser assumes the components that constitute the subject property improvement(s) are fundamentally sound and in working order.

Any viewing of the property by the appraiser was limited to readily observable areas. Unless otherwise noted, attics and crawl space areas were not accessed. The appraiser did not move furniture, floor coverings or other items that may restrict the viewing of the property.

9. Appraisals involving hypothetical conditions related to completion of new construction, repairs or alteration are based on the assumption that such completion, alteration or repairs will be competently performed.

10. Unless the intended use of this appraisal specifically includes issues of property insurance coverage, this appraisal should not be used for such purposes. Reproduction or Replacement cost figures used in the cost approach are for valuation purposes only, given the intended use of the assignment. The Definition of Value used in this assignment is unlikely to be consistent with the definition of Insurable Value for property insurance coverage/use.

11. The ACI General Purpose Appraisal Report (GPAR<sup>™</sup>) is not intended for use in transactions that require a Fannie Mae 1004/Freddie Mac 70 form, also known as the Uniform Residential Appraisal Report (URAR).

#### **Neighborhood Boundaries**

The Subject neighborhood is bordered on the north by Indiantown Road, on the south by Donald Ross Road, on the west by Alternate A1A and on the east by the Intracoastal Waterway (ICW).

#### Gross living area Comment

For consistency, we have used the gross living area as noted in the Property Appraiser's website 5,986sq.ft. not the 5,888sq.ft. noted in our sketch. The 98sq.ft. difference is likely due to the cabana half bathroom near the pool.

#### Quality and Condition of Property

The Subject's interior is described as follows: First Floor: Foyer- marble floor, 2 story ceiling, crown and baseboard moulding, custom front door. Living Room- marble floor, box-coffered ceiling, crown and baseboard moulding. recessed lights, ceiling speakers, bar area with marble top, wood cabinets, and sink. Den- French doors, wood floor, box-coffered ceiling, recessed lights, ceiling speakers, crown and baseboard moulding. Half Bathroom- marble floor and vanity top, wood vanity, crown and baseboard moulding, recessed lights. Primary Bedroom- French entry doors, marble floor, crown and baseboard moulding, recessed lights, ceiling speakers, French doors out. Primary Bathroom- marble floor, wainscot and vanity top, wood vanity, recessed lights, crown and baseboard moulding, 2 walk-in closets. Guest Bedroom- carpet, walk-in closet, recessed lights, ceiling speakers. Bathroom (ensuite)- marble floor, wainscot and vanity top, wood vanity, recessed lights, crown and baseboard moulding. Kitchen- marble floor, backsplash and countertop, gas cooktop, recessed lights, crown and baseboard moulding, wood cabinets. Pantry- marble countertop, and backsplash, wood cabinets, crown and baseboard moulding. Laundry Room- marble countertop and floor, wood cabinets, crown and baseboard moulding, sink. Dining Room- marble floor, box-coffered ceiling, sliding glass doors, recessed lights, beamed ceiling, breakfront with marble top and wood cabinets. Cabana Half Bathroom near pool- stone floor, pedestal sink, wood ceiling, baseboard moulding. Second Floor: Left Rear Bedroom- carpet, ceiling speakers, crown and baseboard moulding, walk-in closet, door to terrace. Bathroom (ensuite)- marble floor, vanity top, and wainscot, wood vanity, crown and baseboard moulding, recessed lights. Front Left Bedroom- carpet, French entry door, recessed lights, walk-in closet. Bathroom (ensuite)- marble floor, wainscot, and vanity top, crown and baseboard moulding, recessed lights, wood vanity. Loft- wood floor, sliding glass doors to terrace, recessed lights, crown and baseboard moulding, wet bar with marble top and wood cabinets. Right Bedroom- carpet, door to terrace, recessed lights, crown and baseboard moulding, walk-in closet. Bathroom- marble floor, wainscot and vanity top, wood vanity, crown and baseboard moulding, recessed lights.

Other Features- elevator, impact windows and doors, central vacuum, covered front entry, covered rear porch with summer kitchen: tile backsplash, gas grill, sink, refrigerator, wood tongue-in-groove ceiling, recessed lights, ceiling speakers, security cameras.

Overall, the Subject Property is in very good condition.

#### **Highest and Best Use**

The Subject Property is a legal and permitted use based on the current zoning and land use. The lot is of sufficient size and the fact that the improvements exist, is evidence that it is physically possible. The current use is financially feasible and maximally productive as evidenced by the sales and listings of similar properties nearby. The current use of the Subject Property is therefore the Highest and Best Use in our opinion.

#### Comments on Sales Comparison

Adjustments applied in the Sales Comparison Approach are theoretically made based on Paired Sales Analysis. Paired sales are two sales that are the same in every way except the one factor for which the appraiser is trying to estimate an adjustment. In practice, it is very seldom that we come across paired sales (since homes tend to differ in many ways not just one). In lieu of paired sales we have employed periodic market surveys i.e., conversations with local, active, real estate brokers and agents familiar with buyer reactions for various features in the Subject's market area. Unless otherwise specified herein, we have based our adjustments on these periodic market surveys.

Every effort was made to find recent comparable sales within the Subject's immediate community. The comparable sales used are the best available in our opinion. Typical adjustment guidelines were exceeded where necessary in order to appropriately adjust for dissimilarities. Adjustments are rounded to the nearest \$1,000. An explanation of adjustments is as follows:

Comparable 4 (uinder contract) is adjusted downward \$1,000,000 for sales negotiations (based on a conversation with the listing broker). Location, site and view adjustments are combined and adjusted based on the extracted underlying site values of the comparable sales vs the Subject's estimated underlying site value of \$4,400,000. An example of the extraction technique is as follows:

Comparable Sale 1 Sale Price

\$9.850.000

GLA: 7,767sq.ft. X \$500psf =	\$3,883,500
Gar: 1,114sq.ft. X \$250psf =	\$278,500

- (a) RADON GAS: Radon is a naturally occurring radioactive gas that, when it is accumulated in a building in 205 sufficient quantities, may present health risks to persons who are exposed to it over time. ESCROW AGENT: Any Closing Agent or Escrow Agent (collectively "Agent") receiving the Deposit, other funds 293 294 and other items is authorized, and agrees by acceptance of them, to deposit them promptly, hold same in escrow 295 within the State of Florida and, subject to Collection, disburse them in accordance with terms and conditions of 296 this Contract. Failure of funds to become Collected shall not excuse Buyer's performance. When conflicting demands for the Deposit are received, or Agent has a good faith doubt as to entitlement to the Deposit, Agent may 297 take such actions permitted by this Paragraph 13, as Agent deems advisable. If in doubt as to Agent's duties or 298 liabilities under this Contract, Agent may, at Agent's option, continue to hold the subject matter of the escrow until 299 the parties agree to its disbursement or until a final judgment of a court of competent jurisdiction shall determine 300 the rights of the parties, or Agent may deposit same with the clerk of the circuit court having jurisdiction of the 301 dispute. An attorney who represents a party and also acts as Agent may represent such party in such action. Agent 310 shall not be liable to any party or person for mis-delivery of any escrowed items, unless such mis-delivery is due to 311 Agent's willful breach of this Contract or Agent's gross negligence. This Paragraph 13 shall survive Closing or 312 termination of this Contract.
- 313 14. Broker represents to Buyer that Broker does not reside on the Property and that all representations (oral, written or otherwise) by Broker are based on Seller representations or 317 public records. BUYER AGREES TO RELY SOLELY ON SELLER, PROFESSIONAL INSPECTORS AND 318 GOVERNMENTAL AGENCIES FOR VERIFICATION OF PROPERTY CONDITION, SQUARE FOOTAGE AND 319 FACTS THAT MATERIALLY AFFECT PROPERTY VALUE AND NOT ON THE REPRESENTATIONS (ORAL, 320 WRITTEN OR OTHERWISE) OF BROKER. Buyer and Seller (individually, the "Indemnifying Party") each 321 individually indemnifies, holds harmless, and releases Broker and Broker's officers, directors, agents and 322 323 employees from all liability for loss or damage, including all costs and expenses, and reasonable attorney's fees at 324 all levels, suffered or incurred by Broker and Broker's officers, directors, agents and employees in connection with 325 or arising from claims, demands or causes of action instituted by Buyer or Seller based on: (i) inaccuracy of information provided by the Indemnifying Party or from public records; (ii) Indemnifying Party's misstatement(s) or 326 327 failure to perform contractual obligations; (iii) Broker's performance, at Indemnifying Party's request, of any task 328 beyond the scope of services regulated by Chapter 475, F.S., as amended, including Broker's referral, recommendation or retention of any vendor for, or on behalf of, Indemnifying Party; (iv) products or services 329 provided by any such vendor for, or on behalf of, Indemnifying Party; and (v) expenses incurred by any such vendor. 330

331 Buyer and Seller each assumes full responsibility for selecting and compensating their respective vendors and 332 paying their other costs under this Contract whether or not this transaction closes. This Paragraph 14 will not relieve 333 Broker of statutory obligations under Chapter 475, F.S., as amended. For purposes of this Paragraph 14, Broker 334 will be treated as a party to this Contract. This Paragraph 14 shall survive Closing or termination of this Contract.

335

- (b) Buyer and Seller shall attempt to settle Disputes in an amicable manner through mediation pursuant to Florida 357 358 Rules for Certified and Court-Appointed Mediators and Chapter 44, F.S., as amended (the "Mediation Rules"). The mediator must be certified or must have experience in the real estate industry. Injunctive relief may be 359 sought without first complying with this Paragraph 16(b). Disputes not settled pursuant to this Paragraph 16 360 361 may be resolved by instituting action in the appropriate court having jurisdiction of the matter. This Paragraph 362 16 shall survive Closing or termination of this Contract.
- 363 17. - 574 (iv) In the event the net proceeds due Seller are not sufficient to meet the withholding requirement(s) in this transaction, Seller shall deliver to Buyer, at Closing, the additional Collected funds necessary to satisfy the 575 applicable requirement and thereafter Buyer shall timely remit said funds to the IRS or escrow the funds for 576 577 disbursement in accordance with the final determination of the IRS, as applicable.
