The Court has scheduled a Status Conference for March 4, 2024 [ECF No. 1768]. In the Paperless Order, the Court inquired whether a brief reset of the Status Conference would be advisable. Although, as the Receiver noted in the Status Report Regarding Paperless Order Dated February 22, 2024 [ECF No. 1812], there are some ongoing tasks in connection with the claims process, the Receiver believes it would be beneficial to proceed with the Status Conference as currently scheduled, so that the Receiver can provide the Court and investors with an update on the claims and distribution process, as well as the other issues the Receiver typically reports on, such as operations, collections, asset sales, and other pending issues impacting the receivership.
