To whom it may concern:

I have an unresolved objection to the claim amount for **claim #20500** in the amount of \$201,000 for the SEC v Complete Business Solutions Group Inc. et al; Case No. 20cv-81205-RAR.

Specifically, here are the reasons for my objection:

1. Fails to recognize the amounts paid to ABFP Management (Dean Vagnozzi) that needs to be recovered for our investors to receive back. He disgorged ~\$5M and this needs to be included in the funds that are coming back specifically to the feeder fund investors.
2. Did not disclose the specifics of how the approved amount was calculated or any formula that may have been applied. Please provide the "tape" of your calculations as it doesn't match my calculations.
3. Did not disclose the basis or determination or the calculation for any of the reduction in the claim amount.
4. Fails to address the claimant's right to recover from John Pauciulo Esq and Eckert Seamans.
