

Dear Judge Ruiz,

My name is Michael Laude, and I am writing to you on behalf of myself and my father, Alan Laude. We were investors with AG Morgan and Vincent Camarda, who recently pleaded guilty to securities fraud.

This fraud has resulted in the loss of our entire family savings. My father is at retirement age but can no longer afford to do so, and I am facing significant financial stress while raising two young daughters. Specifically, we invested in PAR Funding through the AGM Capital Fund I, managed by AG Morgan. My father invested \$4 million, and I invested \$630,000.

I have spoken with Mr. Stumphauzer and Mr. Kolaya regarding the claims process. While they have been transparent, it has become clear that my father, myself, and other AG Morgan clients were never notified of the process or the deadline to submit a claim. We were unaware of these requirements until January 2026.

I understand the court relied on Vincent Camarda and Anthony Zingarelli to notify clients or submit claims on their behalf, which they failed to do. It is distressing that a proven criminal was entrusted to make decisions regarding our financial future. Had we been notified directly, we would have participated in the process immediately.

It is difficult to reconcile how some investors have been made nearly 93% whole while others, like us, receive nothing due to a deadline we were never informed of. We are innocent victims seeking an equal opportunity to recoup our stolen funds. If I provide documented proof of our investments in the AGM Capital Fund I, I respectfully ask if we may be added to the claims list.

I have attached our AG Morgan account summaries for your review. We are simply asking for the opportunity to be treated fairly, alongside the Class 1, 2, and 3 claimants.

Thank you for your time and for considering our situation. We look forward to your response.

Sincerely,

Michael Laude
